# CLEAN UP & GREEN UP LOTS

Transform our city's **40,000 vacant lots** into safe, green spaces. Partner with community groups to clear debris, plant grass, and maintain these lots year-round.

WAYS TO  
HELP YOUR  
COMMUNITY

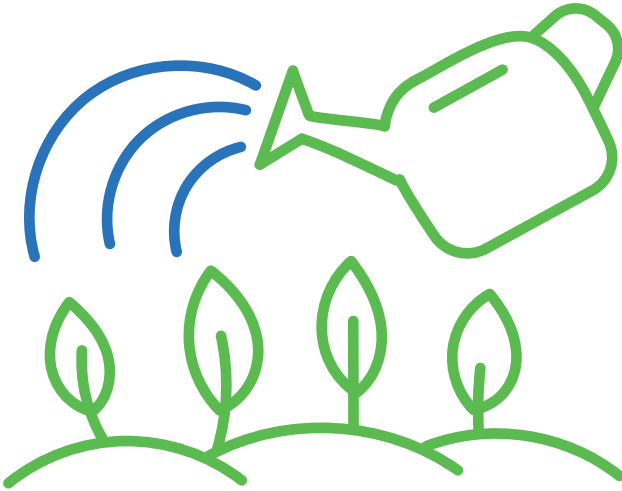

# 03

## CULTIVATE PARK CONNECTIONS

**Enhance our parks and rec centers.**

Invest in maintenance and connect them to other green spaces to create thriving community hubs.

# 04 PROTECT COMMUNITY GARDENS

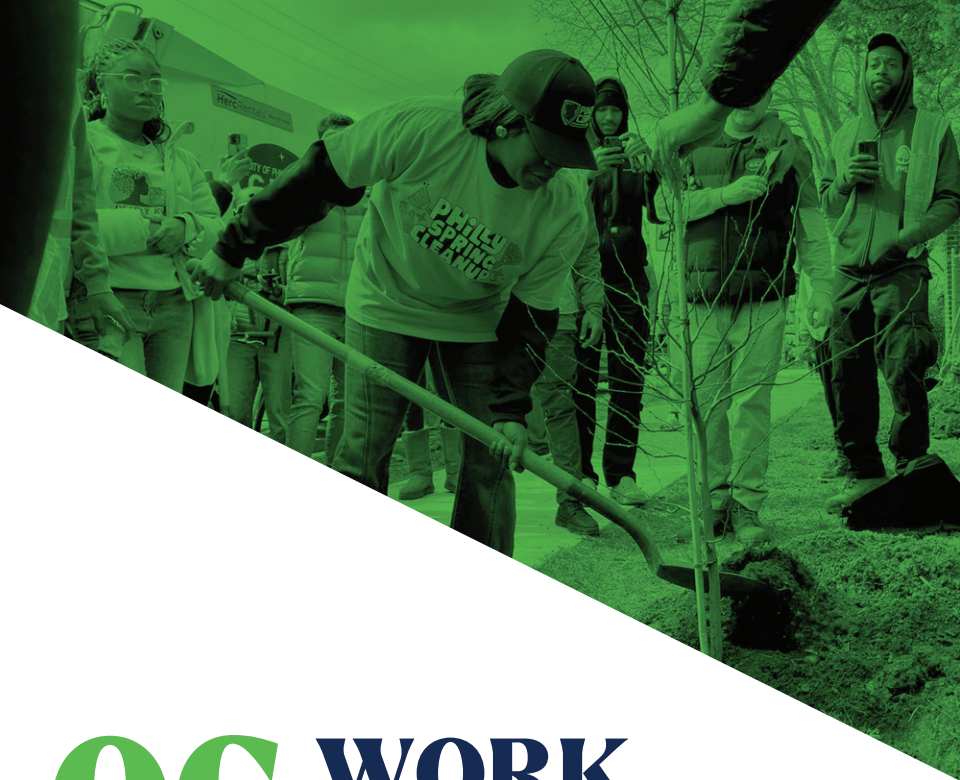

Secure the future of our neighborhood gardens. Help us **preserve and upgrade these vital green spaces** for generations to come.

# 05 BEAUTIFY OUR BLOCKS

Empower residents with tools to help their communities grow. From planters to small grants, **let's make every street a green oasis.**

# 06 WORK WITH NEIGHBORS

Work with community groups to develop **greening and beautification plans tailored to each neighborhood**. Let's green every corner of Philly!

**JOIN THE FIGHT  
TO TRANSFORM  
OUR CITY.**

# 07

# GREEN OUR STREETS

Enhance our major streets and roads with connecting trees, shrubs, and green walls. Join us in turning Philly's traffic corridors into lush, green pathways.

# 08

---

## SPRUCE UP COMMERCIAL SPACES

Bring more life to commercial corridors around schools by **adding planters and greenery**. Let's create streets where everyone feels safe and welcome.

# 09

## SAVE AND SOLVE WITH STORMWATER

Partner with us to **implement green stormwater infrastructure** that protects our water and beautifies our city, one project at a time.
